

# SBCP Online Banking

## ONLINE BANKING OVERVIEW

### Home Page

The home page is a glance at all your accounts, where you can view your account balances and activity, transfer funds, schedule a payment, enroll for estatements and much more! From here, you can easily access more details on each account by selecting the “Recent” link.

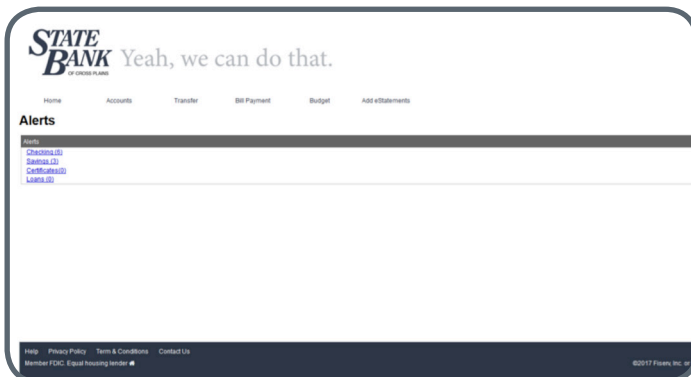

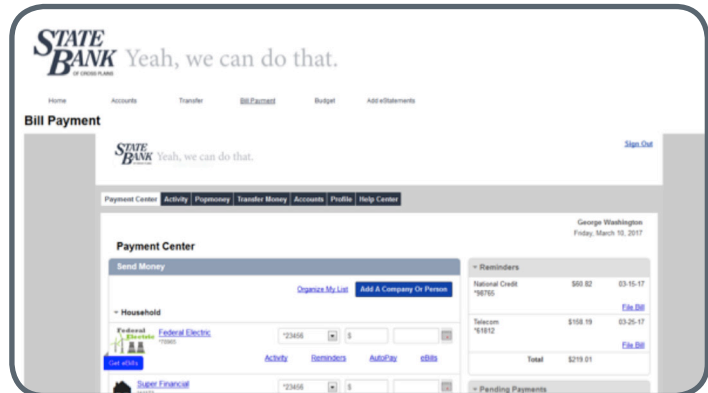

### Account Information

The Account information page provides a detailed summary of your transactions. You can easily see scheduled, pending & posted transactions.

To navigate quickly, you can either scroll, sort by clicking on column headings or use the “Search Transactions” feature to find a specific activity by amount and date.

### Bill Payment – Pay Bills and Transfer Funds

Moving money is easy using the Bill Payment Service. You can pay your bills, transfer funds, and even send payment directly to other people by accessing Popmoney®

### Other Account Management Features

Other features include:

- Alerts to help you monitor your account
- My \$ (Budget) PFM Tool
- Open new account
- Order checks
