Is my Bill Payment info secure ?

Yes. Bill Pay uses several methods to ensure that your info is secure.

- **SSL** – Bill Pay uses SSL (secure sockets layer) which ensures that your connection and info are secure from outside inspection.

- **Encryption** – Bill Pay uses 128-bit encryption to make your info unreadable as it passes over the Internet.

- **Automatic Sign Out** – Bill Pay automatically signs you out of a session if you are inactive for a predefined time.
